1. *Free* exists for those agencies that have groups that work irregular hours, that is, not Monday to Friday. This column is used to manage the averages over the 7 days of the week.

2. *Disciplinary Actions* are not added to other categories. The employer recognizes that they are absent because they are suspended.

3. *Attendance Pending Verification* is used by agencies such as the Department of Education, which doesn't have an electronic method in every municipality. Attendance needs verification after the data is received.

4. *Unauthorized Absences* are not added to any other category. These absences are not paid since there is no justification for the absence.
